ADVENTURES IN HOUSE SITTING

Polly's

“Holden and I have been discussing if by chance you would consider coming to work for us? We’d love you to help watch our kids for the summer. Holden has taken a job that dictates he’ll be traveling a lot and I’m going need the help.” said Della. We were at our church’s spring picnic and I had come home for spring break during my senior year. My name is Polly and I’m 22 years old and graduating college in a couple months wanting to be a teacher. I heard

jobs were going to be scarce this next school year as the school board cut back on teacher’s salaries and positions. Thinking ahead to the prospect of no work after college, I thought I shouldn’t pass this up, even if it’s just a summer job watching their kids. Sounded easy.

I told Della I was flattered that they’d consider me for such a position. “If it will help you decide, there’s an extra bedroom on the second floor of the house that you can have as yours while you work for us... for free, and we’ll share making dinner for the summer.” I told Della that was a generous offer and I would like to talk things over with my parents and if I see her next week at church, I’d have an answer for her. We exchanged phone numbers and headed to our cars to leave. A week later I saw them at church and accepted their offer. I moved in with them June eleventh after my graduation.

Now it’s the Fourth of July and I’ve been on the job for

a about three weeks and all seems good. I do my work taking care of the kids, and they seem to have accepted me as a part of the family. Tonight, however, Della asked if I would also watch the kids of their best friends tomorrow because they all wanted to go to a party. I said I would and actually looked forward to it. It was the Mason’s place late afternoon and they were going to leave around five for their soiree. She said they would have a few hours to get ready before going to a church function

that also included a dance later in the evening.

Down the hall, I could hear Della in the shower, and I went to my room to prepare. I pulled my t-shirt over my head and looked at my boobs in the mirror. They were full and my nipples were always hard. I wore padded bras so no one would notice. I heard Della come out of the bathroom and into her bedroom. I slipped on a modest skirt and went downstairs to wait for everyone.

A half-hour later, everyone had gathered in the living room and we went to the garage and piled into the mini-van. It was a short fifteen minute drive to the Harts’. We turned into a really nice development with big new houses. Holden stopped the car outside a big modern mini-mansion type of house. The door opened as we approached and a tall, good-looking man about forty or so stood there. He shook Holden’s hand and then kissed Della on the cheek. He asked if I was Polly. Holden said

'yes' and I said "Nice to meet you." "Won't you all please come in." he said and we all walked down the hall and through another door, I followed the group not knowing where we were going, but everyone else seemed to know.

A shrill voice shouted from the top of a stairway, "Della, honey, I'm upstairs." Della takes my hand and says "Polly, come and meet Liza." and led me up the stairs. She found the bedroom and we saw Liza standing at the foot of a large, unmade bed. She was wearing a large beige towel wrapped around her, tucked it in above a pair of large boobs so it wouldn't fall. That left the towel a little short and at times I could clearly see her hairless pussy as she moved about.

As she kissed Della on the cheek, she glanced over at me and said. "You must be Polly. I'm Liza. Thank you so much for helping out tonight. We don't often get out for parties and this is a blessing. Let me get dressed, then I'll show you where everything is."

I sat on a chair near the bed and watched as she went to her wardrobe, all the time she and Della were chatting away. She dropped the towel and stood there naked momentarily as she pulled a shiny dress out and stepped into it. "You look pretty sexy in that dress. Think it's appropriate for the church?" said Della.

"It may not be right for church, but it's right for the dance." she replied, and they both laughed.

Liza showed me round the house pointing out the different places. The two living rooms, the bathrooms, their kid's bedroom and the bedroom for the Reese's kids, who were now settled in and getting sleepy. She showed me the kitchen and we ended up in the family living room where she told me to pull some DVD movies out if regular television was too boring. I saw the two couples to the front door, closing and locking it behind them as they drove off to their function.

I watched TV for a while and it did get boring. Who'd think with over 300 channels to choose from that TV would get boring? So I decided to watch a movie and went to the DVD player to put one in. But there was one already in and it was on 'Pause.' Not really caring what I was gonna watch, I pressed the play button and it spun into action. I could hear Liza's voice coming from the speakers as the video kicked in. She was standing in the middle of a room naked and playing with herself. She was rubbing quite freely and looking at someone just off camera. "Come over here." she commanded and I was shocked to see Della's butt, then her whole

body walk over to Liza. She went over and stood next to Liza and pulled Liza's hand from her pussy and put into her mouth. Liza rubbed her fingers around her lips, and over then over Della's. She pushed her face closer to Liza's and kissed her, pushing her tongue out and licking around Liza's lips. The camera zoomed in to the action and then I realized that someone else was behind it filming all this. I wondered whose husband it was, or maybe

both of them, or maybe even someone else. Liza then pushed Della's head down between her big boobs and Della started sucking on her nipples. After a few minutes and plenty of licking, Della stopped sucking and biting on her nipples, readjusted their positions and sat on the bed. It was the same bed as the one that I saw upstairs. It was Liza's bedroom.

Della then pushes Liza gently back onto the bed. She kneels in front of her and pulls Liza's legs up and apart so she can get at her pussy. I hear Della's voice, "Baby, you're so wet." Liza moaned and said, "I'm waiting for that wonderful tongue of yours. My clit needs licking." I could now feel the juices in my own pussy building up but I couldn't tear away from the screen. The camera now got a close up of Della eating Liza's pussy. Then it panned up Liza's body to show her fingers pinching and pulling on her hard nipples. Now Liza's ecstatic face came into view and she was rolling her head from side to side, licking her lips and pushing fingers into her mouth.

Quite engaged by now, I leaned back on the sofa and hiked my skirt up a bit. Then I slipped a couple of fingers in my pussy and fondled my clit as the action moved back down to Della licking. On the screen now, Liza had

acquired two large dildos and handed one to Della. Liza leaned forward and pushed her dildo up inside Della's pussy – all the way in and then pulled it out. She did this several times before rubbing it over Della's nipples. Liza then took each one of Della's nipples into her mouth and sucked and nibbled on them. Then they switched and Della did the same to Liza. Now they're both laying back and each was fingering the other's clit and sucking each other's nipples. Liza pushed her dildo into Della's sopping wet hole and thrust it in and out a dozen times or so, then pulled it out and put it into her mouth to suck it clean. Della returns the favor and the camera zooms in for a magnificent close up of the dildo going into Liza's smooth, wet pussy.

The two ladies switch positions on the bed into a femme sixty-nine with Liza on top of Della. The slurping sounds of their tongues on pussy is so erotic and exciting that I just close my eyes and listen. I don't need to watch. I try to mimic the sound and the rhythm of their actions with my fingers in my pussy. While not making quite the same slurping sounds, I can hear my fingers sloshing around in my pussy juices. On screen, both were now fucking each other with the dildos, each nearing orgasm. I changed hands a dozen times before exploding, my pussy clenching tight around my wet fingers. When I opened my eyes, the screen was black. My pussy was still tingling as the last drips of my juices seeped out onto the sofa leaving a wet patch on the cushion. I straightened my clothes and went to the kitchen to get a wet cloth to clean it up.

Later, I went back upstairs and checked on the kids who were still sound asleep. I went back downstairs, and got a cold drink and went back into the living room to watch some more TV. An hour or so later I heard some racket at the back door and then muffled voices coming from the kitchen. I could make out Della's voice and then Holden's. Then I heard Liza's crisp and clear as she entered the family room. "I hope we haven't kept you up, Polly." she said. "Honey, you should have gone to one of the spare bedrooms and slept for a while. If you like, Della said you can stay here tonight tomorrow she'll pick you all up." Della then chimes in "If you like, I'll take you shopping tomorrow as a big thank you. How does that sound?" "That sounds wonderful, thank you." I say. "Then I'll see you tomorrow, Polly." she said as she pulled Holden out the front door.

Closing the door behind them, Liza asks how my evening was and thanks me again for staying at the house. She grabs my hand and pulls me towards the stairs. We climbed the stairs and looking back at me says, "I'll show you where you can sleep."

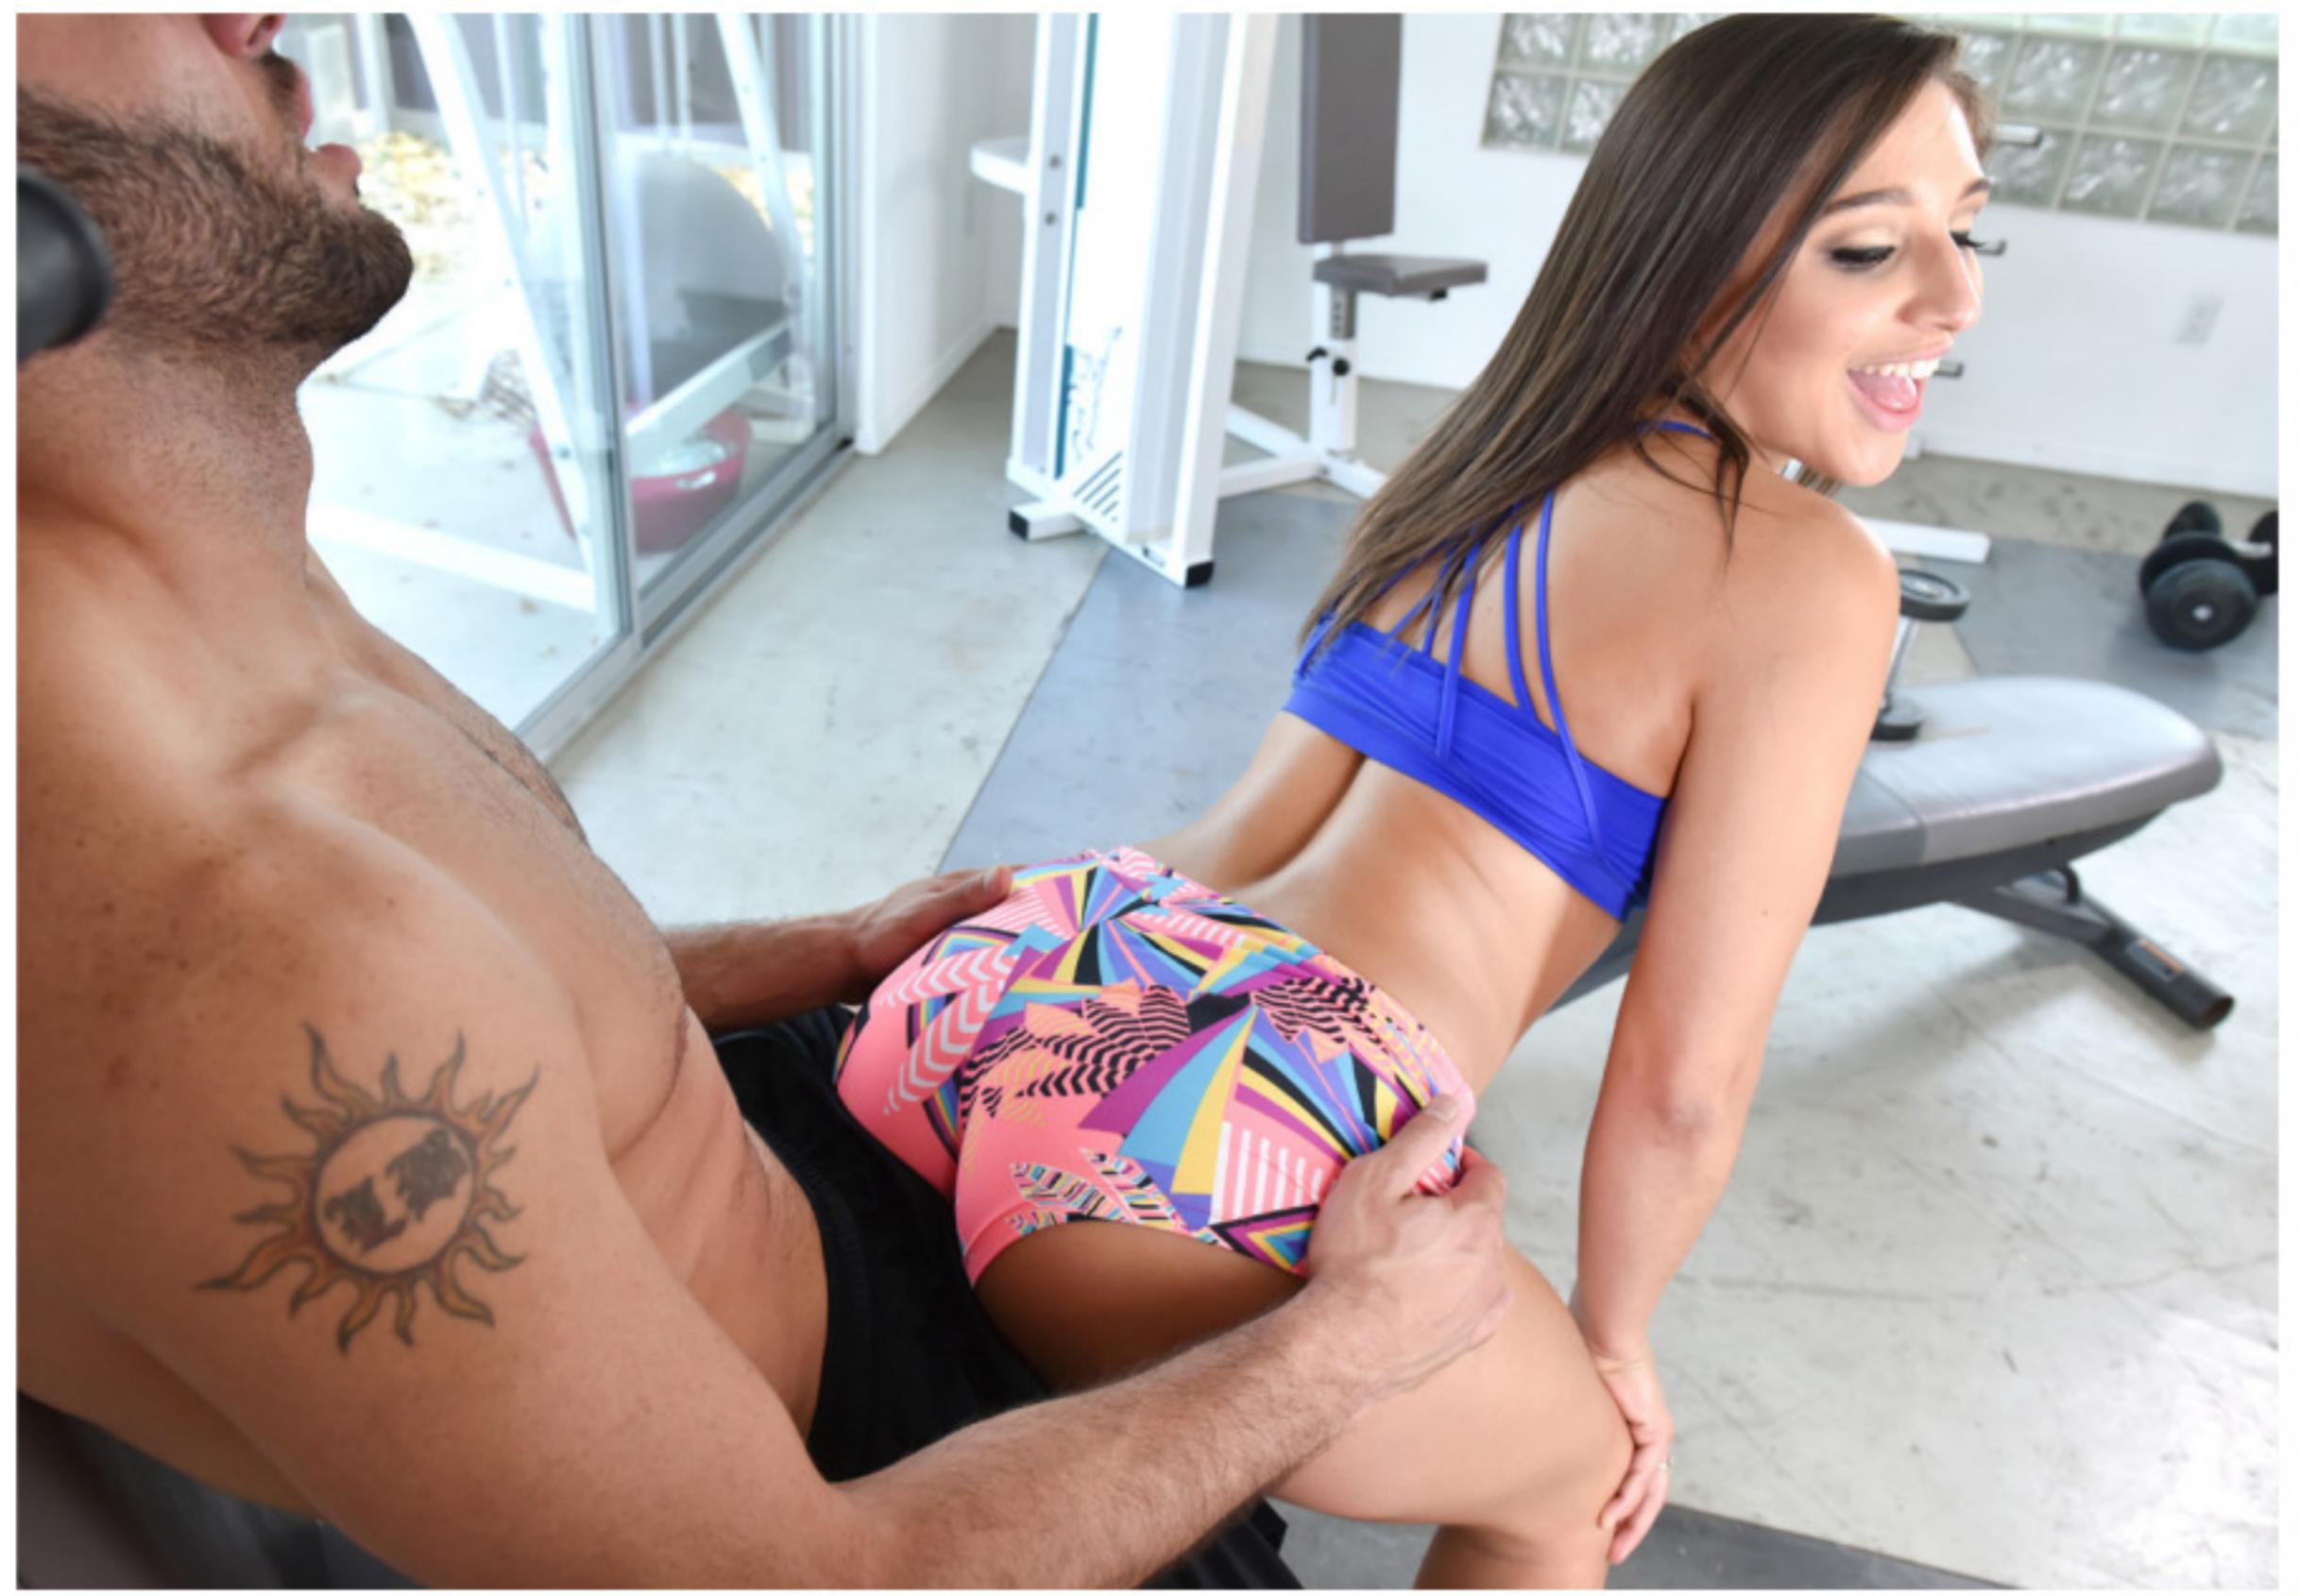

ABELLA

We're so excited to have Abella in our issue this month, and as our cover girl. We've been following her explosive career for the last few years, and few have impressed us as much as this little vixen. Yes, she has all the prerequisite features for a top star: a ballet background, mile high club experience, and a bubble butt that looks like it's always about to pop. But that's our job.

IT PAYS TO KNOW YOUR ELECTRIC CORD GAUGES

After six months of self-love, I had to do something. I had to get laid. Then kismet struck. I was in the Electrical section of a big hardware store looking for a replacement light switch. Ten feet down the aisle was this hot-looking chick in a baseball cap and clean sneakers looking at extension cords. She was looking kinda frustrated by the selection. Then right out of the blue, my mouth says, "Too many to choose from, huh." She looked over at me with a quizzical smile. I quickly apologize for the intrusion and she giggled. A moment later she asked, "What's the difference between 16 and 14 and 12?"

I looked around to be sure she was talking to me, and then said, "Oh, that's the gauge of the wire. The higher the number the smaller the wire." She looked at me again. "What that means is that if you're looking for a cord for a lamp or fan, then a

high number is fine because they don't use much electricity. If it's something that uses more power then a lower number would be better. I don't think you'd need a 12 gauge unless it's for power tools." I said chuckling.

"Actually, it's my lamp. It's kinda old but the cord is frayed and I thought I might put an extension on it so the frayed part wouldn't be near the switch." she said.

"Oh, no. Not a good idea," I said walking over to her. "That's way too dangerous to do," I cautioned. "You should replace the lamp's cord, or at the very least put some electric tape on it, but I wouldn't recommend that." I added.

"What should I do since the lamp is a family heirloom and I just can't replace it?" she asked. "Over here they have replacement cords without the female ends, and then you just splice the wires from the cord and the lamp together." I said. She looked at me again with a baffled smile, introduced herself as Maggie, and asked if there was any way I could fix it for her. I said matter-of-factly. "Nice to meet you. I'm Greg. I have some errands I must do this afternoon, but I can help later today or tomorrow." I offered.

She told me she was having a party tomorrow night and if I could come

over before that and fix it, she'd be very appreciative... And I could stay for the party she added after a moment's hesitation. I told her I'd bring my tool kit and dressy loafers. She laughed and I could tell she was at ease with me.

Next day I show up right at 5 pm and she has a couple glasses of wine sitting on the kitchen counter for us. She motions me to the living room and there next to the sofa is this beautiful Tiffany lamp. I compliment her on it and she says it's been in the family since the early 1900s. I proceed to fix the lamp, taking my time, and she looks on intently. I bring her into the process by asking her to do some little things and she seems happy to help.

After I finish and go to the kitchen to wash my hands, Maggie follows me in and plants this huge kiss on my lips. We share an awkward kiss and my mouth starts to talk. "Shut up," she hissed, kissing me more intently this time using her tongue swirling it around mine and sucking on my tongue gently and lovingly. I became more bold and reached under her top and began massaging her left breast.

Not pushing me away, I became more confident and gently pinched her nipple between my index and thumb as she purred to the touch. I took off her top and grabbed her exposed breasts. She took off my shirt and I unzipped her pants and pulled them off.

I kissed from her neck to her chest to her stomach to her lady mound of perfectly coiffed pubic hair. I gently licked her pussy through her thong, then pulled off her thong revealing her treasure. I lock her thighs around my head as I slowly make my first lick on her bare pussy.

After a few more licks on her labia, I spread them apart with my fingers and lick inside her pussy. She held tight to my head and squeezed my hair as I tongue fucked her to a mini-orgasm. She oozed a thick and tangy liquid from her pussy and I lapped it all up with my tongue and then sucked her pussy clean.

After her body stopped shaking and she settled down from her orgasm, she kissed me once more then held my thighs as she slowly licked her way down to my amazingly rock hard member.

She stared at it inquisitively then slowly grabbed it causing it to throb harder. She started pumping my shaft as she had her soft luscious lips around my cock head and sucked. She would slide her lips along it then apply suction as she moved her lips upwards. I was amazed at the feelings I was having. It was heaven, this being my first blow job in more than eight months.

She picked up speed then I closed my eyes hard, and tensed my whole body up then exploded my first rope of thick, hot cum into her mouth. I unloaded what seemed like a pint of ejaculate into her mouth and she swallowed it all. She stood up atoak the glass and washed it down with her wine looking at me right in the eyes as she did.

Suddenly, the doorbell rings and she tells me it must be her party guest. I go to the bathroom to collect myself and freshen up. When I return, I go back and there's a stunning brunette standing with Maggie in the living room. The brunette sees me and extends her hand to me and says "Welcome to the party, Greg." Whoa!!!!

SOMETIMES IT'S JUST A MATTER OF IMAGINATION

I have this friend, Dennis, who's a good friend of mine. A party guy whose antics are infamous around our crowd. He's a little wacko, and it's that kind of wacko that gets him all sorts of girls. He drives a souped-up black SUV with a license plate that says: PARTYGUY. He's so bold with that party thing that he'll ask almost any female he sees to come to one of his parties. Sometimes I just can't stand to be with him when he does. So embarrassing he is.

Yesterday we were just hanging out and he said he had a quick errand to do. We went to his girlfriend Ava's house. He opens the door and sighs, closing the door behind him he mumbles "Sorry Ava, I was supposed to meet another friend and I got side-tracked." Ava laughed as she got up and said "Don't worry. Let me know when you're ready again." "Sure." smiled Dennis. As he kissed her one last time for the day, Ava began to rub his cock through his jeans. She took his hand pushed it down her shorts and over her pussy. Dennis stuck in two fingers, moved them around and pulled them out, putting them into Ava's mouth. "I'll be back tomorrow with Dana." Dennis said.

Ava pushed him out the door. We left and headed over to Dana's house. Dana was quite the girl. She was just a little over five foot with cute perky boobs and a firm round ass. She too was a party girl having partied with Dennis through-

out their four years in college. She had told Dennis that she needed to talk to him about something very important, and the way she said it, Dennis guessed it probably was.

We finally made it to her house and he knocked on the door. Dana immediately opened it and literally pushed and shoved him into her house. She sat him down on her sofa. I took the side chair and tried to be inconspicuous. "Okay, so what is so important, Dana?" he asked.

"Okay listen, I'm going to tell you something important?" Dana raised her eyebrows. Dennis nodded as he waited in anticipation. "Alright, so I not only like guys but I think I'm also liking girls. I've done another girl once as a freshman but I was hoping you could introduce me to your girlfriend. I don't know if she's been with another girl or not, so I was wonder..."

Dennis breaks in, "You saying you want to get it on with Ava?" he says interrupting her. "I know she's done a girl or two but she doesn't consider herself gay because she's now got this..." he says grabbing his crotch and looking back over and winking at me.

Dana continues, "Cute. I'd be willing to sweeten the pie. If you ask her, I'll join you in a threesome, and I can sneak into her pussy that way." Dennis sat back on the sofa and cupped his hands behind his head

to think about it. "Okay, I'll ask her." he says.

"No, you have to convince her." says Dana.

"Okay, okay." he snaps back. "Gimme a day." We get up and leave her place.

"Watcha gonna do?" I ask. "I'm gonna ask Ava." he replies. "How can I give up a chance at a three-way with those two?" We laughed and high-fived.

Next day I got a call from him: "Dude, Ava didn't go for it. She said she doesn't do girls anymore and for sure she won't do a three-way. And if that's what I want, then I don't want her."

"Damn, dude." I said. "That's cold. No other way you can convince her? Did you tell her you were just trying to do a favor for a friend?"

"Yeah man, I said all that stuff, and she just knocked me down. I think I need to chill for a bit and give her some time to cool off." he said. "I'll call her in a couple days and she'll take me back. I know it."

Well, my fellow readers, several days have passed and she didn't take him back, so if you thought you were gonna get a letter with Dennis fucking a couple of hot chicks as they did each other – nope – ain't happening, but I had ya goin'!
